

**Roberto Hernandez-Garcia**  
International Construction Lawyer.  
Neutral Third Party (Dispute Board and Arbitrator  
in Engineering and Construction Projects  
Dispute Board, Trainer and Procurement Specialist certified by FIDIC

---

## **1. GENERAL PROFILE**

Roberto Hernández-García is a lawyer and consultant specialized in international construction law, with relevant experience in projects (including megaprojects) in the sectors of:

- (i) **Electricity.** - Power Generation Plants, Transmission Lines, substations, wind power projects, and others.
- (ii) **Oil and Gas:** Oil platforms, gas pipelines, oil pipelines and polyducts.
- (iii) **Land transportation projects.** - roads, bridges;
- (iv) **Railway Projects.** - Railroads, EMU's, subways;
- (v) **Air Infrastructure** - Airports (airside and landside);
- (vi) **Water, Sanitation and Drainage:** Treatment plants and large-scale wastewater treatment plants and tunnels;
- (vii) **Olympic-class sports facilities;**
- (viii) **Health.** - Hospitals and clinics.
- (ix) **Education:** schools.
- (x) **Industrial plants:** Sectors: food and beverage, and technology.
- (xi) **Tourism** and entertainment: residential projects.
- (xii) **Civil constructions** - commercial buildings and plazas, luxury residences.

His combined experience in (i) preparation of contract (ii) project monitoring and management, and (iii) project dispute prevention and resolution, allows him to fully understand all phases of a project, both technically and legally, and the complexities of each case.

He has approximately 30 years of experience in international construction contracts; 15 years in international FIDIC contracts and 5 years in NEC contracts.

He has experience in international projects with FIDIC and NEC contracts, serving as a Dispute Board (DAB) jointly appointed by the parties, which has given him insight into the expectations of both Clients and Contractors.

**Roberto Hernandez-Garcia**  
International Construction Lawyer.  
Neutral Third Party (Dispute Board and Arbitrator  
in Engineering and Construction Projects  
Dispute Board, Trainer and Procurement Specialist certified by FIDIC

---

He is a FIDIC-certified Dispute Board (adjudicator) by examination, and is on the President's List (current certification).

He is a certified FIDIC trainer by examination for the basic suite (Red, Yellow, Silver, White and Subcontracts) (current certification).

He is also a FIDIC certified Procurement Specialist by examination (current certification).

As an international arbitrator, he has served under the rules of the ICC, ICDR, LCIA, ICSID, and CAM, exclusively in international construction projects in which he focuses professionally.

He is the author of four books specializing in Construction Law, Dispute Boards, and FIDIC, and a consulting editor and co-author of five collective books.

He has been a trainer and advisor to the Inter-American Development Bank and the Central American Bank for Economic Integration on FIDIC contracts and project management.

He has been hired as a consultant by the Inter-American Development Bank to prepare the Construction Dispute Resolution Manual.

He was a consultant for the United Nations Organization: UNODC, on anti-corruption in public procurement, and for UNOPS on public procurement.

His professional activities have enabled him to participate in various capacities (advisor, trainer, consultant, arbitrator, expert witness, etc.) in 12 countries across Latin America and the Caribbean.

This resume highlights Roberto Hernández García's most relevant activities exclusively in the field of construction and construction dispute resolution but is not exhaustive of all his activities in other areas of expertise such as public contracting and anti-corruption.
